We have placed on sale this week a line of LADIES' FAST BLACK HEMSDORF DYED HOSE, received direct from the factory in Germany (thus avoiding the American duty), which we are offering at the very low price of six pairs for \$1.00. Now this is an opportunity not often offered for ladies to supply themselves with a good staple article of every day use at such a very low price. We do not claim them to be the finest, but a good strong article of absolutely fast dye.

In addition to the above we have our usual complete line of LADIES' AND GENT'S.

MISSES AND CHILDREN'S Which have their own established reputation.

We have just received a small choice line of

Genuine Scotch Zephyrs

Now we do not advertise these as cheap goods at all, but just the kind a lady would select to make a gown of that which she would look stylish in, but that would stand the kind of laundering it would

A small and carefully selected lot of Printed Pure IRISH LINEN LAWNS in neat and modest designs and colorings, twelve-yard lengths, which we are offering at just about half the price that they will have to be sold for when imported under the American tariff

Of course all ladies know of the great durability of Irish Linen and its delightful coolness, and here where we use wash goods the year around it pays to buy a good article that one can feel justified in expending the time and money necessary in making up in a manner that one would-not on a cheap article that one would have to cast aside after the first laundering. For trimmings these same goods we have a very complete assortment to choose from, of Embroideries of all kinds, CAMBRIC, NAINSOOK and SWISS EDGINGS and IN-SERTIONS, and All-overs and Laces of every description. These all imported by us direct from Europe in bond.

Just received direct from the factories at Troy, N. Y., a splendid line of GENTS' SHIRTS, in dress, colored and negligee. In buying these shirts we have exercised the greatest care, first as to their at and correctness of style, and in case of the colored ones in the very exacting manner of our examination in regard to their fastness of color, we doing our best to satisfy ourselves . that we were getting but absolutely fast colors in these shirts, and hope we have succeeded. Call and see them and the line of Gents' FURNISHINGS and UNDERWEAR we carry.

To housekeepers who might require them in a hurry, we wish to state that we have SHEETS and PILLOWCASES, ready made in all sizes and qualities and at prices we think will be satisfactory.
